# CASTLES AND CITIES

## MAJESTIC WITNESSES OF THE HISTORY

Let's travel in time to explore the world's largest owner of castles and chateaux. In a rather small area, you can see dozens of ruins, monumental castles, magnificent chateaux and mansions. Most of them built centuries ago, these represent a tangible testimony of the history as, they stand proudly turn on the tops of the rocky cliffs to prove their everlasting magnificence.

Walking through these historic sites and tours of the castle's chambers conjures a unique experience.

### Highlights of the tour:

Bratislava Castle  
Čachtice Castle  
Trenčiansky Castle

Orava Castle  
High Tatras  
Spišský Castle

Betliar  
Víglaš Castle  
Bojnice Castle

---

# NATIONAL PARKS

## ENCHANTING POWER OF NATURE

Escape with us from ordinary busy days and let yourself be enchanted by the beauty of our natural sights. Put a backpack over your shoulders and we will take you around hidden scenic treasures that Mother Nature unraveled for us. Slovakia, with its rather stubby territory, is home to nine national parks and the world's smallest mountain range. The lush, forested landscape in the heart of Europe boasts a picturesque, yet untamed nature full of treasures and rarities that has captured the whole world with its uniqueness. Enjoy the gorgeous glacial lakes along the hiking trail leading to an alpine hut, or just stop for a moment let your thoughts wander off to the sounds of mountain stream in a quiet countryside.

### Highlights of the tour:

Malá Fatra  
High Tatras

Pieniny National Park  
Slovenský Raj

Low Tatras  
Belianske Tatras

---

# HIGH TATRAS

highest mountains of the Carpathians

---

Looking for a holiday with all attractions in one place? Mountain hiking, unforgettable natural scenery, wellness, adrenaline activities, but also romance for couples? Enter Vysoké Tatry, a place right under the majestic shields of the biggest mountains in Slovakia.

Hight Tatras as the highest mountains of the Central Europe, fascinate visitors with their majestic shields that touch the sky.

National Park of Hight Tatras is the oldest national park in Slovakia. It consists of the highest mountain range of the Carpathian curve with its highest peak – Gerlach (2 655 A.M.S.L.).

---

# BELIANSKE TATRAS

the beauty of Slovak mountain wilderness

---

**Let yourself be shrouded in the beauty of the magnificent Belianske Tatry.**

Many hiking enthusiasts claim that the Belianske Tatry is the most beautiful part of the Vysoké Tatry mountain range. In the summer, there are infinitely long, green forests and meadows teeming with animal life. On the contrary, in winter, the land becomes covered in white snow that lets you enjoy the undisturbed views of Belianske Tatry.

Whether you are seeking relaxation or active recreation in nature, Belianske Tatry is the right choice for you. Cycling, skiing, hiking, climbing or stroll along the most famous Slovak pathway in the trees is a guaranteed uplifter. Among other things, you can taste the traditional Goral dishes here accompanied by Slovak folk music and atmosphere conjured by costumes and of folk dances.

---

# LOW TATRAS

the world of silence and lush forests

---

**Low Tatras are the second highest mountain in Slovakia. The view from the Low Tatras shields will bring Slovakia on your palm. This paradise for ski lovers will take you directly to the ski slopes for a deserved rest in the Demänovská Valley.**

Demänovská Valley is one of the most sought-after places in Slovakia, thanks to a great number of activities in its surroundings. Just a few kilometres away you can rejuvenate in the thermal waters of water parks, which provide beneficial effects and also feature water slides, saunas and other family attractions.

You can take a photo with a tiger, a lion or a bear in a contact ZOO or enjoy an unforgettable cowboy performance in a western-themed town. There is also a wind tunnel where you can experience the liberating feeling of free fall, waiting for those who want to know how does it feels to fly.

There are thousands of challenging hiking trails available to visitors. Winter sports will also easily find attractions to enjoy. A chairlift to Chopok, the most famous peak of Nízke Tatry, provides a bird's-eye view of Slovakia at stunning 2 024 A.M.S.L.

---

ORAVA

a fairytale land from your bedtime stories

---

**Would you like to revisit the places you remember from your bedtime stories? To the times when princesses awaited their princes in the high towers? In that case, we have a fairy-tale land of Orava ready for you. A land intertwined with folk tales and legends will enchant the heart of every traveler.**

Orava's countryside is truly magical during every season. Orava is yet another Slovak paradise for tourists, but also for cycling enthusiasts. The picturesque, fairy-tale town of Orava, the northernmost part of Slovakia catches attention of all people interested in sports, hiking, wandering through breathtaking countryside, fun water activities, but also admirers of architecture, history and culture.

---

# MALÁ FATRA

national park of unusual natural beauty

---

**Let yourself be surrounded with an atmosphere of the hunt in the hotel at the edge of the woods right in the heart of Malá Fatra National Park.**

It is said that mountain range of Malá Fatra contains the most interesting parts of every corner in Slovakia. Its' most remarkable attractions include gorges, ravines, rock reefs as well as the alluring tourist paths. Malá Fatra is a small tourist paradise that offers many beautiful hiking opportunities.

**Come and take the trail with us through Fatra wilderness, take part in a traditional hunt and feel the adrenaline flow in your blood.**

---

POLONINY

true atmosphere of wilderness

---

**Spark up your adrenaline and experience untamed wilderness. Follow in the footsteps of wolves, bears and spend a breathtaking night in the tent under million stars shining in the primeval beech forests in Europe.**

National Park Poloniny is part of the International Carpathian Biosphere Reserve recognized by UNESCO– the only one in the world to extend over the territories of three states.

There is "The Dark Sky Park" located on its territory, which is one of Europe's darkest areas in terms of light pollution.

**Poloniny will inspire you with the true atmosphere of wilderness.**

---

# BRATISLAVA

the pearl of Danube

**Do you know the borderline between Eastern and Western Europe? No?  
Explore it with us!**

Bratislava is the capital city clinched between Western and Eastern Europe, a fact which can be felt clearly when walking through its streets. Situated right in the heart of Europe, on the banks of the Danube River, it has always been predestined to become an important business hub and a good place to encounter various cultures. Bratislava, despite her reputation of one of the newest cities in Europe, takes pride from its history starting with forgotten Celtic settlements, Roman camps and later spectacular crowning ceremonies.

**Immerse yourself in the buzz of Slovak capital and discover a myriad of attractions, cultural monuments and various activities it offers.**

# KOŠICE & TOKAJ

golden treasure of the eastern Slovakia

---

**Do you enjoy wine tasting and exploration of new places? Tease your senses with an exclusive tasting of world-renown wine made from white raisins. Combine this experience with a sightseeing tour around the largest monument reserve of Slovakia, the eastern metropolis of Košice.**

Embrace the history in the eastern metropolis of Slovakia, the city of Košice. Explore the city where Europe's greatest treasure was found and walk around the historic center that will inspire your energy.

Tokaj will captivate you with its tranquil, pleasant and wine-soaked atmosphere. Discover stretching wine cellars where you can test your sommelier spirit and sample dozens of delicious wines that will instantly charm your senses.

**Do not hesitate and join us in savoring the hospitality of eastern Slovakia.**

---
